Battery maintenance

Proper maintenance of the battery allows better performance and longer life. Regular use of cleaning products provide you an unquestionable economic advantage. For these reasons, we offer a full range of cleaning products.

Biodegradable

▶ **BAT/34502**

Battery Acid Cleaner & Neutralizer

Acid neutralizer and cleaner in spray. Cleans by acid affected surfaces and neutralizes the acid. The biodegradable "Solution Safe" maintenance products neutralize, clean (on the basis of citrus) and dissolve the corrosion of terminals, cables, plugs and containers. These products change of colour when they come in contact with electrolyte (acid). In this way, the mechanic knows if there are acid radicals present. Easy in use: sprinkle and rinse. The waste water is harmless. 946 ml.

▶ **BAT/34506 - "Heavy Duty"**
